Re: Garris-Rivers v. The Metropolitan Transportation Authority, et al.  
Index No. 13-cv-9034 (GBD) (RLE)

Dear Honorable Judge Daniels:

After the pending motion for summary judgment in this case was fully briefed, the Second Circuit issued a decision in Simpson v. City of New York, 2015 U.S. App. LEXIS 12163 (2d Cir. N.Y. July 15, 2015), ruling on a summary judgment motion in a section 1983 case in which the plaintiff alleged that she was falsely arrested for a violation of Penal Law § 165.15(3). Attached please find a copy of the decision, which I believe the Court may find relevant to the pending motion.

Respectfully submitted,

  
David A. Thompson
